

CULTURAL EXCHANGE VIRTUAL CARE PROGRAM.

**HEALTHCARE AND
COUNSELING EXPERTS
BY PHONE OR LAPTOP,
ANYWHERE AND ANYTIME!**

OUR PROGRAM IS CONVENIENT, EASY TO USE, SAFE AND AFFORDABLE.

Talk to doctors
and mental health
experts.

Connect 24/7
by phone,
video or app.

Get the quality
care you need,
when you need it.

Call as many
times as you
need to get well.

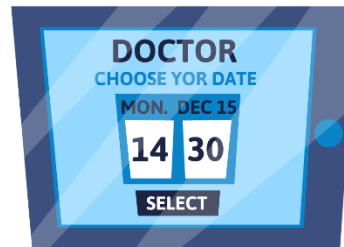

And it costs
nothing to use
our services!

POWERFUL, EASY TO USE VIRTUAL CARE SERVICES, SELECTED SPECIFICALLY FOR CULTURAL EXCHANGE PARTICIPANTS.

LIFE ASSISTANCE

Our professional, confidential, short-term assistance provides the right tools to help participants through some of life's toughest challenges

MENTAL HEALTH

Choose a therapist, select a date and time to meet and talk to a quality therapist as many times as you need to get better

TELEMEDICINE

24/7 access to docs who can diagnose acute conditions & prescribe medication, successfully resolving over 90% of all calls received.

ENHANCED BY VALUABLE HEALTHCARE SERVICES.

Hundreds of trusted, relevant, videos and courses from mental health experts

Screened, board certified dentists that evaluate, diagnose and resolve your dental problems.

Upload images and schedule a call with a licensed dermatologist from the comfort of your residence.

Save up to 85% on prescription medication at over 50,000 pharmacies nationwide.

Test for common STIs with a local lab. Confidential results are provided in 3 days or less.

OUR PROGRAM DELIVERS VALUE

FOR SPONSORS

- Boost participant retention
- Relieve overwhelmed and expensive local healthcare providers
- Provide 24/7 solutions for participants at little cost
- Differentiate your program's benefits package with on demand virtual care
- Appeal to participants with a safer, more extensive care solution
- Proactive approach to keeping losses down and insurance premiums in check

FOR PARTICIPANTS

- 24/7/365 access to safe quality care in minutes. No unnecessary exposure!
- No copays, deductible, coinsurance or claims to file
- Not connected to any health insurance policy- no exclusions!
- Save money on health & mental health services
- Reduce stress at work & away from work
- Confidentially connect with experienced care providers
- Privacy avoids possible stigma and participant reluctances

ADDITIONAL BENEFITS

- Provide on-demand access to care for:
 1. Participants in remote locations
 2. Locations where few in-network insurance providers exist
 3. Workers who need alternatives due to work schedule
- Promotional materials such as texts/emails, social media campaigns

WHY VIRTUAL CARE?

- Improved access for all participants - 24/7/365 access for camps & other remote locations
- Improved participant health - both mental and physical
- Higher participant achievement & participation
- Lower withdrawal rate & retained revenue to the sponsored program
- Reduced burden on local medical providers - especially mental health

WHY OUR PROGRAM?

Extremely cost affective & convenient

Not connected to any health insurance policy

No exclusions or limitations, no preferred providers

No out of pocket expenses

No deductibles, copayments, or co-insurance

No claims to file!

Designed specifically for exchange participants

Unlimited mental health, non-emergency medical, dermatology, STI consults, teledentistry
